## How TTF Works

Youth must be registered to attend The Third Floor.

Sign in each day is required, but youth may sign in or sign out at any time as they are not required to stay the entire time. Parents and youth should decide on a schedule together for when they will arrive and leave.

TTF will close at 5:30 pm and all youth will be asked to leave the building at that time.

Youth may walk or bike home from TTF, so this is something that should be discussed beforehand.

## TTF Expectations

- ❖ Youth need to be in the cafeteria and ready to be signed in to TTF by the second bell.
- ❖ No youth should be in the hallways after the second bell. They will need to be in their appropriate after school program (homework help/TTF/sports/theater, etc.) or they need to leave the building.
- ❖ If youth are attending an after school activity they may still come to TTF afterwards, but they need to make sure to sign in.
- ❖ Youth should be with a TTF staff member at all times.
- ❖ If youth wish to leave, they need to sign out with a staff member and then they must leave the building. They may not roam around or jump between programs. Once they are signed out they may not return until the next day.
- ❖ Youth may bring snacks from home but we ask they do not bring: soda, energy drinks, or sunflower seeds
