All donations (monetary and non-perishable items) earn St. Peter Area Food Shelf credits during Minnesota FoodShare Month to use for purchasing food from Second Harvest throughout the year. This is our most important month for donations and area residents have been very generous during past March campaigns. Please help us continue this tradition! Non-perishable food and personal care items will be collected at various businesses, area churches and through community organizations' drives and events. Monetary donations are greatly appreciated and may be sent to: **St. Peter Area Food Shelf - 201B S 3rd St - St. Peter, MN 56082**

Thank you for helping us support friends and neighbors in our community!
