CITY COUNCIL ACTIONS – ACTION taken by the City Council at the regular meeting of July 28, 2014 included awarding the bid for the 2014 Old Minnesota Avenue Surface Improvements Project to OMG Midwest (dba Southern Minnesota Construction); rejection of both bids received for the 2014 TH 169 and Union Street Utility Improvements Project; approving the unbudgeted purchase of two computer servers; and approving minimum wage modifications for certain seasonal and regular positions.

The next regular meeting of the City Council will be Monday, August 11th at 7:00 p.m. in the Governors' Room of the Community Center. For more information on City Council meetings, please contact the City Administrator's office at 934-0663. Copies of the Council packet are also available on the City's website at www.saintpetermn.gov/city.

MAKES ME WONDER (BY CITY ADMINISTRATOR TODD PRAFKE – Busy first couple of days to the week. Lot of things going on. Wow! Council meetings with a visit from the Chamber...open house about temporary detour

for Highway 169..... and lots of recreation, pool, Halloween Fun Run sign up, and even a Hospital Commission meeting at noon today. We are abuzz.

The open house was a great opportunity to visit with folks, hear their concerns and now we will work to make some tweaks and changes to mitigate some of the very good issues that were raised.

Here is what I know for sure about that open house. It was good to have it. It is important that we hear those that are interested. All those that are interested do not agree. There will be no way to make everyone happy.

I would love to make everyone happy. It cannot be done. Doesn't mean we don't try, but it does mean that often we go into those types of meetings with an open mind to learn and better understand what folks are looking for and how they see an issue. We take that education and try to make things better, but it still will not make everyone happy.

To those of you who were at the meeting... thank you. For those of you who did not attend, please consider attending the next one. I am not sure what the topic will be, but I know that there will be folks who care about it and I know we will go into it looking to get ideas and hear solutions.

Will the next open house impact you? It makes me wonder.....

WORK ZONE FINES INCREASE –

With the many construction work zones that are currently in place in and around Saint Peter, motorists are reminded that beginning Friday, August 1st, a new law will take effect that sets the fine for violation of work zone speed limits at \$300 plus the cost of the ticket. The law also impacts motorists who fail to obey directions given by flaggers.

Having this law in place provides added incentive for drivers to slow down and be aware of the work going on around them. This helps keep those working in the construction zones safe as they complete their work on the roadways.

The Minnesota Department of Transportation (MnDOT) has another initiative in place to help keep construction workers safe. This summer MnDOT and the Department of Public Safety and the Minnesota Department of Public Health joined together on a campaign called "Orange Cones. No Phones". The campaign works to educate/remind

drivers to hang up their phones and pay attention in work zones. This is a wonderful idea all of the time, but especially in and around construction areas.

So, give the workers and your wallet a break and obey the reduced speed limits in a construction zone and follow the direction given by the flag person.

TRAIL MAINTENANCE WORK – In an effort to protect City trails, a fog seal and seal coating program has been established and fog sealing work will begin Monday, August 4, 2014 on the City's pedestrian/bike trails. The goal is to complete the process by Thursday, August 7th, weather permitting. In the event of rain, work will be completed the following day. Work should be completed with as little inconvenience to trail users as possible; however, please observe the "Trail Closed" signs to eliminate the residue which is left on the trails from sticking to shoes, bicycles etc. The residue will be completely dry within 24 hours and the trails will be reopened after that time. Those with questions on this work are asked to contact the Department of Public Works at 934-0670.

- **ELECTION JUDGES** – for November general Election only. To be eligible for appointment as an Election Judge, a candidate must be:
 - eligible to vote in the State of Minnesota; and
 - affiliated with a major political party; and
 - able to read, write and speak English; and
 - appointed by the City Council; and
 - trained and currently certified as an Election Judge.

An Election Judge cannot be:

- a candidate in that election (i.e. be running for an office on the ballot used in that precinct); or
- the husband, wife, parent, step relative, child, brother, or sister of a candidate or another Judge in the same precinct; or
- a challenger.

All Judges must attend a mandatory training session before the election and are paid at the rate of \$8.75 per hour for their service. Most Judges work all day on Election Day and State law does allow individuals who serve as Judges to take time off from work. If you would like to be considered for appointment as an Election Judge for the November general election, or for more information on how you can serve your community in this way, please contact the City Administrator's office at 934-0663 or send an e-mail to barbaral@saintpetermn.gov.
