

Request for Services Volunteer in the Park Summer 2022

Hello,

The Saint Peter Recreation Department's Volunteer in the Park program is back for another summer! What is VIP? It's a program where youth 10-17 sign up to volunteer in our community. One or two rec staff will be with the VIP's at all times. If you think you'd have work for our youth to do, please complete this form and mail it back to the Recreation Office or scan and email it. Work duties can be weekly, monthly or a one-time deal ranging from thirty minutes to four hours. Thank you for taking the time to read through this and complete this form. We look forward to hearing back from you.

Thank you,

Kayla Campbell
Recreation Program Supervisor
